

# Greene, Inc.

Quarterly Newsletter

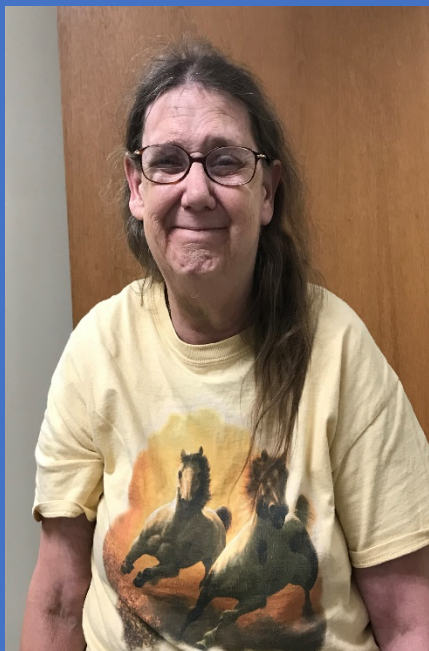

July 2021

## A NOTE FROM THE CEO

We hope that this newsletter finds you all doing well and staying safe! We are thrilled to be seeing some familiar faces coming back through our door and look forward to seeing more in the coming weeks and months.

We wanted to share some of the fun stuff that 's been going on, so please enjoy!

Feel free to visit our website at [www.greeneinc.org](http://www.greeneinc.org) or follow us on Facebook!

## EMPLOYEE OF THE MONTH

This month, Human Resources implemented an Employee of the Month program to recognize the amazing employees we have at Greene, inc. Each month, the winner will be featured on our Employee of the Month bulletin board, and he/she will receive a \$100 gift card as a thank you for their hard work and dedication to Greene, Inc.'s mission. For the month of July, our winner is Patty Brewer.

Patty is Greene, Inc.'s longest serving employee, with 41 years of service. She has worked in multiple departments over the years and is currently employed in our janitorial services department. Patty is adored by all her co-workers because of her positive attitude and her willingness to help out whenever she is needed.

Congratulations, Patty!

# HAPPY RETIREMENT!

After almost 27 years of service, our fearless leader and CEO, Dennis Rhodes has retired.

Dennis was an incredible asset to the organization and will be greatly missed by all those who have had the opportunity to work with him!

Dennis is excited to spend time with his beautiful wife Jackie and his son Jon, as well as doing some traveling in his RV.

Congratulations, Dennis!

# BEST PROGRAM

We are so excited to announce the return of our snack cart! Our BEST program is putting their teamwork and planning skills to good use. The BEST class worked together to create a list of possible snacks and drinks that we may like to see on the snack cart, then they handed this list out to each of our other classrooms to get a full tally of interest! This way everyone had a say in the delicious goodies we have to offer. The BEST class will primarily oversee pricing and selling, but there is plenty of opportunity for other folks to help out!

## SENSORY GARDEN

Summer is not the only thing in full bloom...our sensory garden is looking fantastic! Our participants have dedicated a lot of time (and sweat) into keeping our garden beautiful, it is certainly something to be proud of! Each of our classrooms decided on an item they would like to grow in our vegetable garden. Tomatoes, peppers, zucchini, and kale just to name a few! Delicious salad is definitely in the near future! 😊

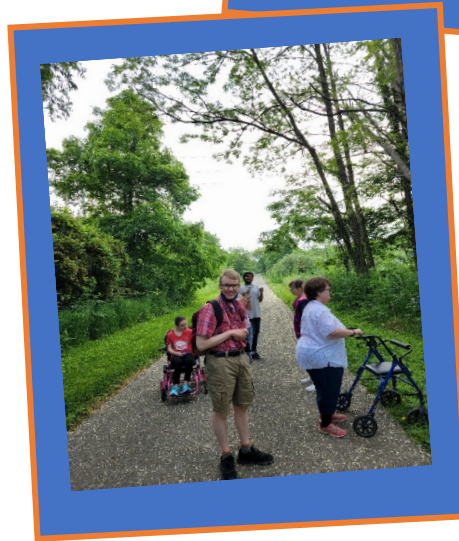

Not only are we blessed to have such a beautiful garden to relax in, but it's the perfect place to enjoy some summer yard games and science experiments. Check out our yard bowling and sidewalk chalk popsicles!

# COMMUNITY BRIDGES

Our Bridges group is having a blast exploring our community! In the past few months, our participants and staff have enjoyed everything from bowling and putt-putt to hiking and nature watching! This month we are visiting the Clinton County Fair, the Riding Center and the Jeffersonville Pool!

## A MESSAGE FROM OUR TRANSPORTATION DEPARTMENT

Happy Summer! The transportation department wanted to take this as an opportunity to send out a few friendly reminders. We wanted to first off thank you all for your continued support and patience over the last several months with all the changes that have taken place and ask that you continue to be patient while we iron things out as we head into what is hopefully some sort of normal.

We wanted to remind everyone that when scheduling a new trip or changing pick-up or drop-off locations, we will need at least 2 business days in advance to make the appropriate changes. Please also know that pick-up and drop-off times are subject to change as things open more. If you need to cancel transportation or have any questions, please call or text our manager, Morgan Tobe at (937)283-5680. Thank you!!!!
